RE: Physician's and Surgeon's Certificate No. A 36335  
Case No. 8002014008504

**Public Letter of Reprimand**

An investigation by the Medical Board of California revealed you permitted your medical assistants to see patients, determine the outcome, and advised patients of the results of TB tests; and consistently allowed the medical assistants to practice beyond the scope of their authority by failing to be present in the office and supervise them when they drew blood for patients.

These actions constitute a violation of Business and Professions Code 2052(b) - aiding and abetting the unlicensed practice of medicine.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
